

Lehigh Career & Technical Institute (LCTI) is celebrating its 50th anniversary during the 2021-2022 school year. On Tuesday, Oct. 19, we hosted the 25th-anniversary time capsule opening/unveiling ceremony, our first public-facing 50th-anniversary event.

LCTI's Joint Operating Committee Chairperson, Gary Fedorcha, regaled us with tales of LCTI's early days and Pennsylvania Department of Labor & Industry Deputy Secretary Sheila Ireland delivered remarks, as well. We also heard from two of our students, FBLA President Ethan Andrews, of Whitehall High School, and DECA Vice President Julia Remaly, of Northwestern Lehigh High School.

Lehigh County executive Phil Armstrong, along with representatives for state Sens. Pat Browne and Lisa Boscola and state Rep. Ryan Mackenzie read proclamations recognizing our 50th anniversary.

Time capsule contents were displayed on tables during the ceremony and most attendees spent a few minutes looking through items before and after the ceremony. Attendees signed our 50th-anniversary posters, which will be sealed in LCTI's 50th-anniversary time capsule this spring.
